

# Old East Village BIA Graffiti Removal Program

As Old East Village moves further into the stages of reopening, the OEV BIA has focused heavily on helping businesses with beautification efforts. In the Spring, we launched the BIA's first ever Graffiti Removal Program to contribute to these efforts, see below for how things work.

**If you come across graffiti on your building/storefront, email [info@oldeastvillage.com](mailto:info@oldeastvillage.com) letting us know with a photo attached.**

From here, we will assess whether this graffiti falls within two different categories:

## Method 1

- If the graffiti is on a painted surface, we may be able to paint over it for you if the height is manageable and we have the surface paint colour on hand
- Depending on the surface in which the graffiti is located, we may have additional products that will allow us to remove the graffiti for you
- This option is at absolutely no cost to the business

## Method 2

- If the graffiti is on original brick, is very large, or is at a greater height, we will recommend you have a professional service complete the job
- We will get the full quotation for the job
- Once the work has been completed, submit the paid invoice to us, and we will reimburse you for 50% of the total cost, up to \$250, whichever amount is less.
