

# Congratulations! You've received Core Area Construction Dollars!

## But what are Core Area Construction Dollars?

The Core Area Construction Dollars Program was developed by the City of London to encourage supporting local businesses impacted by construction. Construction Dollars can be used at participating businesses within the Old East Village BIA and Downtown London Business Association in exchange for goods and services offered.

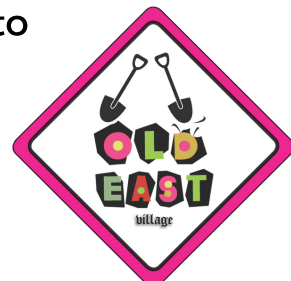

## You can spend your Core Area Construction Dollars at these participating Old East Village businesses!

- [10Eighteen Coffee Bar](#)
- [Artisan Bakery](#)

## Rules for Use:

- Construction Dollars can be accepted in Canadian funds only
- They are printed in denominations of \$5, \$10, and \$20
- They are only valid for use in the year printed on the Construction Dollar
- They may or may not include a specific expiration date in 2020
- They are identified by a serial number and holographic image
- They can be redeemed for goods and services in all participating businesses
- You cannot receive change in cash when using Construction Dollars; the purchase must be equal or greater than the value of Construction Dollars used
